PRANAY BHOSALE

AI/ML STUDENT & ASPIRING DATA SCIENTIST

Panvel, Maharashtra, India | pranaybhosale1409@gmail.com | GitHub: github.com/pranaybhosale-cell | LinkedIn: linkedin.com/in/pranay-bhosale

PROFILE

First-year B.Tech student in Artificial Intelligence and Machine Learning at Amity University Mumbai. Currently learning Python, strengthening programming fundamentals and exploring AI/ML and data analytics. Interested in research-oriented data projects, careful documentation and continuous improvement.

EDUCATION

Bachelor of Technology (B.Tech), Artificial Intelligence & Machine Learning
Amity University Mumbai · First-year student

CURRENT LEARNING

- **Python** — actively learning programming fundamentals and practising.
- **C Programming** — developing core programming and problem-solving foundations.
- **AI & Machine Learning** — exploring foundational concepts.
- **Data Analytics** — developing interest in data cleaning, analysis and visualisation.

PROJECTS & RESEARCH

Maharashtra Livestock Diversity Dataset — ongoing
Structuring district-level livestock statistics for Maharashtra, focusing on cleaning, district-name consistency, metadata, source traceability and distinguishing census observations from survey estimates or modelled values.

Electricity Subsidy Distribution Analysis — research direction
Comparative research direction on subsidy expenditure and beneficiary counts in Maharashtra and Telangana, prioritising official sources and transparent documentation of missing figures.

WORKSHOPS & CERTIFICATES

Project Management Assessment — LearnTube.ai — 7 November 2026 (certificate of completion).

Yuva AI for All — NIELIT — 4 November 2026 (Certificate for Skill Competency, NSQF Level 2; online, 4 hours 30 minutes).

Microsoft Student Ambassadors Workshop — Microsoft Azure, Teams & AI; 24 October 2026 (attendance/completion certificate).

AI Tools & Claude Workshop — be10x — 11 August 2026 (certificate of completion).

INTERESTS

AI and machine learning · Data science · Data research · Filmmaking · Visual storytelling
